

Broken Sound Planned Community

Location
Boca Raton, Florida

Client
Arvida Corporation

SWA Scope
Urban Design
Landscape Architecture

Size
1000 acres (405 hectares)

Architect
Joseph Lee, Golf Course Architect

The planned development incorporates a golf course, a major lake with recreation facilities, and a community of homes in the northwest area of Boca Raton. The development represents a part of the related planning prepared by SWA Group for the 5,000- acre Arvida properties in Boca Raton. The design provides direct linkages such as bicycle and pedestrian paths to the adjacent Arvida Research Park.
